

Financial Aid and Scholarships

Financial Aid

Student financial aid programs are intended to provide assistance to students who do not have the necessary financial resources to meet their educational costs. Most students qualify for some type of assistance. Only United States citizens and eligible noncitizens can receive federal financial aid. For resources that recognize academic achievement, refer to the following information on scholarships.

Information about all state, federal, and institutional aid programs is available from the Office of Financial Aid and Scholarships, Student Services West, Room 3615, 619-594-6323. Information about the available programs as well as the academic standards that a student must maintain to remain eligible for such aid can be accessed at <http://www.sdsu.edu/financialaid>.

Applying for Aid

Applicants who want to be considered for all types of state and federal financial aid should apply as soon after October 1 as possible by completing a *Free Application for Federal Student Aid (FAFSA)*. For California Dream Act-eligible students, complete the California Dream Act application to be considered for state grants.

The FAFSA is all you need to begin the application process. You may apply by using FAFSA on the Web at <http://www.fafsa.ed.gov>. For California Dream Act-eligible students, complete the California Dream Act application at <https://dream.csac.ca.gov/>.

To be considered for a financial aid registration fee postponement, a student must complete the FAFSA or California Dream Act application and submit all requested documents by December 1. Applications and documents submitted after December 1 may not be processed in time to be considered for a registration fee postponement.

All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU-listed fees should be regarded as **estimates** that are subject to change upon approval by the Board of Trustees, the chancellor, or the presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (*California Education Code Sections 66028 - 66028.6*).

Fellowships Administered by Departments

Students may receive fellowships or traineeships through the various departments on campus. Federal, state, and private industry programs of this nature are largely directed to students pursuing graduate studies or to students preparing for a specialized occupation. Students who have decided on a particular area of study should check with an adviser in the department of their major to determine what fellowship support might be available to them.
