Offered by Lesbian, Gay, Bisexual, and Transgender Studies
Major in lesbian, gay, bisexual, transgender, queer, and
plus (LGBTQ+) studies with the B.A. degree in liberal arts
and sciences.
Minor in lesbian, gay, bisexual, transgender, queer, and
plus (LGBTQ+) studies.
Certificate in lesbian, gay, bisexual, transgender, queer, and
plus (LGBTQ+) studies
(refer to the Graduate Bulletin).

The Major
The interdisciplinary major in lesbian, gay, bisexual, transgen-
der, queer, and plus (LGBTQ+) studies advances knowledge in
sexual and gender identity, and increases understanding of the
diverse cultural, historical, ethnic/racial, and contemporary expe-
riences of people across sexualities. The focus is on the changing
nature of same-sex desire, sexual behavior, and same-sex rela-
tionships from antiquity to the present. Courses focus on emerg-
ing LGBTQ+ subcultures and identities from a global perspective.
From there, courses address scientific and psychological expla-
nations of LGBTQ+ identities; LGBTQ+ literature, the institutions
of law and government, education and the workplace, family, and
healthcare. We will finish by looking at local and international
LGBTQ+ movements, popular culture, and news media in the
current day. Throughout the program of study, we will carefully
consider the full range of genders, sexualities, races, ethnicities,
classes, physical abilities, religions, and political persuasions that
characterize current LGBTQ+ movements and communities.

Courses are designed to provide students with a comprehen-
sive, integrated, and scholarly education. The major also exposes
students to community service and activism via a large selection
of internships, and to global sexuality issues via international
experiences.

A degree in lesbian, gay, bisexual, transgender, queer, and plus
(LGBTQ+) studies prepares students for a large variety of careers.
Students majoring in lesbian, gay, bisexual, transgender, queer,
and plus (LGBTQ+) studies can work in LGBTQ+ non-profit agen-
cies, law, local and national politics, health care settings, counsel-
ing centers, journalism, news media, theatre, film, fine arts, and
education. LGBTQ+ studies majors may go on to obtain graduate
degrees, preparing for a career as an LGBTQ+ studies scholar.
LGBTQ+ studies majors can also double-major to enhance their
career opportunities.

Advising
Students are required to meet with the undergraduate adviser
in order to declare the major. All students admitted to the univer-
sity with a declared major in lesbian, gay, bisexual, transgender,
queer, and plus (LGBTQ+) studies are urged to meet with the
undergraduate adviser either prior to or during their first semester.

Impacted Program

ted to the lesbian, gay, bisexual, transgender, queer, and plus
(LGBTQ+) studies major, students must meet the following criteria:
