Scholarships

The department offers three competitive, internal scholarship programs, the Norton Allen Scholarship, the Al Sonek Biological Anthropology Scholarship, and the Pitt Warner Endowed Anthropology Scholarship. The department also hires graduate students for a variety of graduate assistant (GA) and instructional student assistant (ISA) positions. Applications and additional information can be found on the department website at <http://anthropology.sdsu.edu/>.

General Information

The department offers graduate study leading to the Master of Arts degree in anthropology. The Master of Arts degree in anthropology provides systematic training through two specializations; (1) general anthropology specialization, with a strong theoretical component, for students who anticipate additional work leading to the doctoral degree in anthropology, or direct placement in an academic setting; (2) an applied anthropology specialization primarily for those who plan to seek employment in the nonacademic sector. This specialization is concerned with the application of anthropological method and theory to practical problems in business, government, and other settings.

Research and special instructional facilities provided by the Department of Anthropology include laboratories for archaeology, biological anthropology/primateology, environmental anthropology, and sociocultural anthropology. Additional facilities available in the community include the Museum of Man, the San Diego Zoo, and various internship sites for applied research.

Students who graduate with the Master of Arts degree in anthropology in either the general or applied anthropology specialization will be prepared for a variety of opportunities, including teaching careers.

Admission to Graduate Study

To be considered for graduate admission at San Diego State University, applicants must follow the three step process outlined below. For more detailed information regarding the admissions process, visit <http://anthropology.sdsu.edu/graduate.html>.

Step 1: Complete the Cal State Apply application by the SDSU deadline (see <http://arweb.sdsu.edu/es/admissions/grad/index.html> for dates).

Applicants must submit the California State University application available at <http://www.calstate.edu/apply> along with the \$55 nonrefundable application fee. Cal State Apply will begin to accept applications October 1. Once applicants have submitted the Cal State Apply application, a RedID number will be assigned and e-mailed within 3-5 business days. The RedID number will allow applicants to track the status of their application through the SDSU WebPortal at <http://www.sdsu.edu/portal>.

Step 2: Submit official transcripts and test scores to Graduate Admissions by the SDSU priority cycle deadline (see <http://arweb.sdsu.edu/es/admissions/grad/index.html> for dates).

After applicants have submitted the Cal State Apply application and received their RedID number, applicants must send official transcripts and test scores to Graduate Admissions. Sending transcripts before submitting the Cal State Apply application will result in processing delays.

Applicants must provide the following:

1. Official transcripts (in sealed envelopes) issued within the last year, from all U.S. colleges and universities attended. Students who previously attended SDSU need only submit transcripts for coursework completed since last attendance. Hard copies of SDSU transcripts are not required; Students with international coursework must submit both the official transcript and proof of degree. If documents are in a language other than English, they must be accompanied by a certified literal English translation. For country specific requirements, visit <http://anthropology.sdsu.edu/graduate.html>;
2. GRE scores sent directly from Educational Testing Services (ETS) using SDSU Institution Code 4682. University requires that all sections (verbal, quantitative, analytical writing) of the GRE be completed;
3. TOEFL scores are required of all applicants, regardless of citizenship, whose native language is not English and whose preparatory education was principally in a language other than English. A minimum score of 80 is required. Scores should be sent directly from ETS using SDSU Institution Code 4682.

The above listed materials should be sent to:

For further questions regarding Steps 1 and 2, contact Graduate Admissions at 619-594-6336 or e-mail admissions@sdsu.edu. International applicants may contact the international recruitment office at 619-594-1847 or e-mail intl.admission@sdsu.edu.

Step 3: Complete anthropology Master of Arts online application by the SDSU priority cycle deadline. For information regarding the admissions process, visit the department website at <http://anthropology.sdsu.edu>.

The anthropology Master of Arts application requires the following items:

1. Statement of purpose. The statement of purpose is a very important part of the application, as it allows the faculty to assess intellectual sophistication, writing skills, clarity of purpose, and potential for success in the Master of Arts program. The statement of purpose should be limited to two to three single-spaced pages and clearly articulate intended research interests, including geographical interests (if appropriate). If research plans are not yet fully developed, clarify what topics and issues in anthropology the applicant is most interested in pursuing and propose possible contexts in which to study them. Statements should not be an extended narrative about personal history, except as relevant to research plans. Elements that would make for a strong statement include, but are not limited to: the intellectual and/or applied importance of the area of interest; a discussion of preparedness to undertake graduate level study (e.g., coursework, field schools, previous research experience, etc.); the name of at least one SDSU anthropology faculty member who would be a suitable thesis adviser and an explanation of her/his selection; and, a discussion of the compatibility of interests with the SDSU anthropology program/faculty research areas;
2. Copies of transcripts from all colleges and universities attended (these do not need to be sent directly from the colleges - photocopies are acceptable);
3. Copies of GRE (if applicable, TOEFL) test scores;

4. Three letters of recommendation. Applicant must provide names and e-mail of three individuals who can write a letter of recommendation on the applicant's behalf, who know the applicant well, and can evaluate the applicant's ability to perform and succeed at the graduate level. Requests for letters of recommendation will be e-mailed to the recommenders via e-mail address provided by applicant;
5. Sample of written work representative of the applicant's research and writing skills;
6. Curriculum vitae or resume.

For further questions regarding Step 3, contact the Department of Anthropology at 619-594-5527, or e-mail anthro@sdsu.edu.
