University Research Council

The University Research Council of San Diego State University is the faculty policy-making body responsible for promoting, encouraging, and publicizing the research activities of the faculty consistent with the educational mission of the university. Much of the work of the council is carried out in its standing committees that include:

Conflict of Interest
Copyrights and Patents
Faculty Recognition
Grants and Lectureships
Institutional Animal Care and Use
Institutional Biosafety
Institutional Review Board
Student Research

The University Research Council membership is composed of no fewer than 15 faculty representing the various colleges and is chaired by the vice president for research.
